Raiders Open Grid Season Friday Night

The Appomattox County High School Raiders will open the 1974 Seminole District football season Friday night as they travel to Forest to battle the Jefferson Forest Cavaliers.

Raiders’ head coach Jerry Robinson is optimistic about this year’s football chances as he and his staff has put the players through two - a - day drills since practice began Aug. 10.

“Our boys have worked very hard to help make this a successful season, Robinson says, “We have good team spirit and the attitude of the team is very good.

Mac Weaver will probably get the call at quarterback as the Raiders introduce a wishbone offense this season. “Weaver has a good strong arm. We think he can operate our offense for us,” says Robinson.

Jerry Robinson

Gordon Ford and Ricky Simmons should open at the running back slots with Ricky Wingfield, and either Tony Snell or Dicky Kelso at tight end.

Mike Ramsey will open at center whille Warren Coleman, Mike Quinn will man the guard and tackle positions on one side of the line and Danny Hicks and David Baxter lining up on the otier side.

Defensively Ed Jamerson, a 195 pound tackle will team with Hicks, Quinn and Flip Jamerson, a 195 pound tackle will team with Hicks, Quinn and Flip Jamerson to anchor the line with Coleman calling the signals from his linebacker’s slot.

“We expect to be a better football team this season,” Robinson says. The Raiders finished with a 5-5 record last season, good enough for fourth in the district. “We have good experience along the line, but we lack experience in the backfield, and we lack depth,” Robinson concluded.

Appomattox returns home next week to play William Campbell. Friday’s game is scheduled to begin at 8: p.m.
